

MIRACLES HAPPEN ON THE HILL

Bringing life-changing results since 1996, Santé Center for Healing is a family-owned addiction treatment center nestled within the hills and trees of Argyle, Texas. **Our 16 acres offer serene settings with large decks and beautiful vistas.**

Our highly trained and effective medical providers and clinical teams do not give up on our patients. We personalize each treatment plan, tailoring it to each patient's specific needs.

Patients trust they will heal at Santé during their early days of detox, dual diagnosis treatment, trauma work and recovery.
