

# MIRACLES HAPPEN ON THE HILL

Bringing life-changing results since 1996, Santé Center for Healing is a family-owned addiction treatment center nestled within the hills and trees of Argyle, Texas. **Our 16 acres offer serene settings with large decks and beautiful vistas.**

**Our highly trained and effective medical providers and clinical teams do not give up on our patients. We personalize each treatment plan,** tailoring it to each patient's specific needs.

**Patients trust they will heal at Santé** during their early days of detox, dual diagnosis treatment, trauma work and recovery.
